

Rules and Agreements for Online Conduct and AI Image Creation

We will be exploring the new and fascinating world of AI generated imagery. Adobe has developed AI generative tools that are now embed in Photoshop, Illustrator, Adobe Express, and Firefly. To ensure the safety of my students and all the students in class, there are some very explicit rules that must be followed in order to maintain safety in the classroom and online. Please review the following rules and discuss with your student, then please sign and date and return to Mrs. Bible by 1/16/24

You agree to use the sites in accordance with all applicable laws. You further agree that you will not e-mail, create or post any of the following content anywhere on the classroom computers, your blog, Schoology, or Adobe:
